

SAINT IGNATIUS

Cleveland • Jesuit • 1886

Freshman Checklist

1. Complete a **school physical** and **current immunization record**, signed and stamped by a physician's office, and email to freshmanforms@ignatius.edu by **8/16/24**.
2. If your son has health concerns that will require special attention from the school nurse such as requiring medication at school, self-carry epi pens or asthma inhalers, emergency plans for seizures, severe allergies, or asthma and diabetes management plans, there are additional forms that will need to be completed by a healthcare professional and returned to the school along with the physical. These forms can be found at ignatius.edu/school-nurse.
3. If your son is planning on participating in any school sports or weight room training, you must also complete the **OHSAA Sports Physical Form**, signed and stamped by a physician's office, and return it to before practice for that sport begins. Students will not be able to participate in school sports without an up to date OHSAA Sports Physical Form on file. Forms will also be available on FinalForms. Completed forms may be dropped off in the Athletic Department or scanned and uploaded in FinalForms.
4. Review the **Class of 2028 Summer Shopping List** to adequately prepare for the 2024-2025 school year.
5. Complete your **FinalForms** activation prior to Freshman Orientation on **8/15/24**. All incoming families received their FinalForms login information via email in May.
6. Download the **Wildcat Safe Mobile App** prior to the first day of school.
7. Complete the **Class of 2028 Admissions Survey** by **8/1/24**. Honest feedback from our incoming families is incredibly helpful in continuing to attract the best students to our school.
