

## **STAY INFORMED**

Notifications from administrators and coaches make it easy to stay on top of what's going on at Saint Ignatius. Remind will replace SchoolMessenger which we previously used to connect with families.

## **EASY SCHOOL CONTACT**

For the 2023-2024 school year, we will use Remind to communicate with families about the following:

- To announce calamity days
- To communicate to families regarding emergency situations
- To disseminate important information around all-school or class-wide events like testing days, all-school liturgies, and other programs
- Coaches and moderators will use Remind to inform parents about specific information related to their programs

## **IMPORTANT NOTIFICATIONS**

Remind will send text messages, emails, and notifications to your app. Robocalls will no longer be used.
