### Foreign Exchange and Global Education Trips

Through our Foreign Exchange Program, students can host exchange students from Barcelona, Spain and then spend two weeks abroad with his family later in the year.

Other Global Education Trips include Avignon, France and Lima, Peru.

### Objectives

The Health and Physical Education Department contributes to the school mission to form our students into “Men for Others” by supporting the development of the whole person: body, mind, and spirit. Through our physical education curriculum, we teach teamwork and good sportsmanship in addition to the importance of physical fitness. Our health classes ensure that students understand the value of good emotional, physical and mental health.
